

## Catapults: directions

Find an arrow. Go the other way	Turn 180 degrees	Walk straight for 100 steps
Cross to the other side	Walk on tiptoe for the count of 50	Take the next right turn
Walk a figure eight	Find an opening and look through it	Take the next left turn

## Catapults: ways to walk

Look for mountains, literal and figurative	Walk as quickly as you can	Walk in a circle, looking for squares. Walk in a square, looking for circles
Seek trinitities: the number 3, trios and triangles	Walk as slowly as you can	Find a colour Follow it
Walk along a safe edge as if it is perilous	Look for shields and force-fields	Get away from here now!

## Writing prompts (1/2)

Something is hidden here	This is not what it seems	It came from the ground
It came from the sky	You do not belong here	A ghost inhabits this
This is the last of its kind	A crime is taking place	This is holy ground
